

While getting his Business Management Studies at the University of Vienna, Stefan Twerase worked at Bacher Systems as a Marketing Manager. After he obtained his PhD, he began working as a Management Consultant for McKinsey & Company. He focused on Marketing- and Sales- Projects and became a Partner. He later moved to Telekom Austria AG as Regional Manager Retail Marketing and was in charge of Product Management, Market Communication and all Internet activities.

Since May 2008 Stefan Tweraser has been the Country Sales Director at Google Germany GmbH.
